

Section 1246.04 of the Codified Ordinances of the City of Avon, Ohio, in full force and effect June 9, 2009.

(e) Arterial and Collector Streets. Arterial and collector streets are identified as such on the Major Thoroughfare Plan as follows:

(1) Arterial Streets: Center Road, Detroit Road, Colorado Road, Miller Road, Mills Road, and Chester Road.

(2) Collector Streets: Avon Commerce Parkway, Camelot Road, Case Road, Chester Road, French Creek Road, Jaycox Road, Long Road, Middleton Avenue, Moore Road (north of Chester Road), Nagel Road, Napa Boulevard, Reigelsberger Road, Schwartz Road, South Park Drive and Stoney Ridge Road.

(3) Streets designated as arterial or collector streets in the Major Thoroughfare Plan pursuant to this division may be changed by recommendation of the Planning Commission and approval by Council.

(f) Streets in a Western Reserve Development. Streets approved within a Western Reserve Development shall be 22 feet in width and shall not require gutters or curbs. However, any street that joins or connects with an arterial or collector street shall comply with the design standards as set forth in Schedule [1246.04](#)(a)(13).
