REPORTS AND COMMENTS

MAYOR JENSEN reported that the "Not So Spooky Halloween" event was successful, with good attendance and positive feedback. He expressed appreciation to Council for allowing these kinds of events as well as allowing the City to recognize Jerry Galant, noting it was meaningful to honor someone who does so much for others in the Community.

COUNCIL MEMBERS:

MS. BERGES, AT LARGE, remarked that it was nice to be part of recognizing Jerry Galant and expressing gratitude for his contributions.

MRS. DEMALINE, WARD 1, mentioned the upcoming Service Committee Meeting scheduled for Monday, October 20, 2025, at 6:30 p.m. She requested that Mr. Cummins provide the annual map for review before the meeting, along with documents related to the French Creek Greenway Trail showing the proposed trail route. She also requested an updated capital projects list, noting that some capital projects correspond with proposed sidewalk areas.

MR. MCBRIDE, WARD 2, thanked the Administration for following up on two issues. He mentioned an incident where a tractor-trailer went off I-90 and caused property damage, including torn fencing and a cracked driveway. He hoped the insurance companies would reimburse the affected homeowner for the necessary repairs.

He also discussed a house on Chester Road that had been previously mentioned. Following a meeting with the Mayor, the Zoning Enforcement Officer, and the Law Director, that property owner has until October 31st to make the property presentable, or the City will take steps to have it torn down. Mr. McBride expressed disappointment about this outcome but noted that the owner has had approximately ten years to address the issues. He asked Mr. Gasior to have the necessary paperwork ready by November 1st, anticipating that the property owner would likely provide excuses for inaction.

MR. MOORE, WARD 3, had no comments.

MS. PATTON, AT LARGE, reported that she would be absent from the meeting on November 24th stating that as a teacher she has parent/teacher conferences that night.

MR. RADCLIFFE, WARD 4, had no comments.

MR. FISCHER, AT LARGE, congratulated Jerry Galant and thanked the Administration for the presentation. He also thanked VFW Post 7035 for their strong turnout for the presentation.

DIRECTORS/ADMINISTRATION:

MR. CUMMINS, CITY ENGINEER, had no comments.

MS. FECHTER, PLANNING/ECONOMIC DEVELOPMENT COORDINATOR, thanked Brian Bruce, Utilities Superintendent and Jill Clements, Zoning Enforcement Officer for organizing a nice employee golf outing for Columbus Day. She noted that six - four member teams participated, and Bob-o-Links always does a great job hosting. She mentioned that they plan to continue this as an annual employee event.

MR. GASIOR, LAW DIRECTOR, had no comments.

MR. PRESLEY, FINANCE DIRECTOR, had no comments.

MR. STREATOR, SAFETY DIRECTOR/PUBLIC SERVICE DIRECTOR, reported that leaf collection would begin on Monday, October 27th.

AUDIENCE COMMENTS:

Jonathan, a young resident from Julian Street, presented a proposal for an X-shaped pedestrian bridge at the corner of State Route 83 and Detroit Road, citing difficult traffic conditions for pedestrians. He provided a drawing of his concept. Mrs. Demaline expressed her understanding of his concern, mentioning that her son had asked about riding his bike to Avon Commons, but she had concerns about safety. Council President Fischer praised the young man for his ability to "think outside the box" and he appreciated him being willing to talk to City Council.

Jon Wysochanski, of 36941 Julian Street, suggested adding a pedestrian crossing near Hale Street by the Law Director's office. He noted the large gap between existing crosswalks at Detroit Road/SR611 and Ridgeland Drive, mentioning he had witnessed a child nearly being hit by a car while crossing near the playgrounds.

Gerald Phillips of 341 Windward Way, Avon Lake raised concerns about Carnegie Management Corporation's failure to adhere to the sidewalk obligations set forth in their Special Use Permit agreement. Mr. Phillips expressed his disappointment with the City for renewing the permit without enforcing these requirements. He stressed the importance of holding Carnegie accountable, emphasizing that contractual obligations must be met to ensure the Community's infrastructure development is not hindered.

Furthermore, Mr. Phillips critiqued both Carnegie and the Khouri's for alleged longstanding infractions of the Clean Water Act at their maintenance facility. He claimed these violations have persisted for over three decades yet have not been adequately addressed or enforced by the City. According to Mr. Phillips, the local Codified Ordinances clearly state that violators of illegal discharge are required to bear all related costs, including legal and engineering fees, which he asserts have not been enforced.

Mr. Phillips further communicated that he reached out to Mr. Gasior via email, pointing out the lack of a firm compliance date within the Special Use Permit agreement, effectively enabling open-ended delays in compliance by Carnegie. He called upon Mayor Jensen to embrace his role as the City's conservator of peace and ensure municipal laws are enforced, thus resolving these ongoing issues.

During his address, Mr. Phillips emphasized that as a representative of the residents, Mayor Jensen has an obligation to ensure that the laws in the City of Avon are rigorously enforced and that Carnegie Management Corporation is held accountable for their contractual obligations and any potential environmental violations.
