

EXHIBIT A
RESOLUTION NO. R-19-17

AGREEMENT

This Agreement is made and entered into by the City of Avon and the Lorain County Office on Aging (LCOOA), to be effective from January 1, 2017 through December 31, 2017. Subsequent renewal will be negotiated on an annual basis.

Whereas, it is the desire of the City of Avon to address health and social service problems of its constituents, especially older adults (60+) living in the community. Additionally the City of Avon has approached LCOOA and requested that LCOOA address the issue of eliminating a waiting list for the *Northeast Home Delivered Meals Program*.

Therefore, the City of Avon enters into this Agreement with the Lorain County Office on Aging to manage and provide services to its constituents, primarily Home Delivered Meals, but also including information, assessment, support services, assisted transportation, chore, housekeeping, benefits screening, as requested by constituents.

In consideration for these services, the City of Avon agrees to pay LCOOA quarterly for the actual *Northeast Home Delivered Meals Program* provided to the older adults of the northeast communities, to be invoiced quarterly, beginning April 15, 2017, and continuing for each quarter through the year, ending with a final payment January 2018. The annual shared cost for Avon is estimated at \$39,959 based upon a daily average of 95 *Program* meals provided from our Northeast Satellite Office for the northeast communities. The actual daily meal count may be more or less.

This amount is determined based on financial support from the Western Reserve Area Agency on Aging, cost of services, the 2010 U.S. Census Bureau data of the older adult (60+) population of Avon and sufficient monetary support donated from the community for the *Northeast Home-Delivered Meals Program*. The Lorain County Office on Aging will provide the City of Avon quarterly service reports.

The Lorain County Office on Aging does not discriminate against any applicant for employment or service, on the basis of race, religion, color, sex, national origin or age.
