

CITY OF AVON

snow & ice removal

- Avon Service Department is responsible for over 250 lane miles, per snow event.
- Please give the plow trucks the space they need to do their job.
- Remember, if you can't see the Driver in his mirrors, he can't see you.
- Plow trucks only travel at 25 mph, so please be patient and slow down.
- The city is split up into 6 zones, with 1 truck per zone to assure all main roads are salted at the same time.

(See attached Map)

STAY BACK
DON'T CROWD
THE PLOW

TAKE IT SLOW
ICE & SNOW

BE PATIENT
SLOW DOWN

BE SAFE
WATCH FOR
BLIND SPOTS
