

AGREEMENT

This Agreement is made and entered into by the City of Avon and the Lorain County Office on Aging (LCOOA), to be effective from January 1, 2021 through December 31, 2021. Subsequent renewal will be negotiated on an annual basis.

Whereas, it is the desire of the City of Avon to address the health and social service problems of its constituents, especially older adults (60+) living in the community. Additionally the City of Avon has approached LCOOA and requested that LCOOA address the issue of eliminating a waiting list for the *Northeast Home Delivered Meals Program*.

Therefore, the City of Avon enters into this Agreement with the Lorain County Office on Aging to manage and provide services to its constituents, primarily Home Delivered Meals, but also including information, assessment, support services, assisted transportation, housekeeping, benefits screening, as requested by constituents.

In consideration for these services, the City of Avon agrees to pay LCOOA quarterly for the estimated *Northeast Home Delivered Meals Program*, based upon their historical usage, provided to the older adults of the Northeast communities, to be invoiced quarterly, beginning January 2021, and continuing for each quarter through the year, ending with a final payment October 2021. The annual shared cost for the City of Avon has been calculated at \$35,000. A credit, if any, for the underutilization of the 2021 commitment will be applied equally to the 2021 quarterly payments. A final analysis of 2021 usage will be prepared and delivered in January 2022.

The Lorain County Office on Aging will provide the City of Avon annual service reports.

The Lorain County Office on Aging does not discriminate against any applicant for employment or service, on the basis of race, religion, color, sex, national origin or age.

City of Avon

Lorain County Office on Aging

Honorable Bryan Jensen,
Mayor

Lauren Ksiazek, MSW, LSW
Executive Director
